**The Ides of March**  
After a mild winter and with spring just around the corner, we at the Middlesex County Dental Society should be looking to the future. That is to say the future of our profession as well as our society. The great opportunities and challenges that face the profession vary from outstanding private practice environments to a shortage of faculty members to teach the next generation. I don't have to tell you that getting into dental school starts with good grades at an undergraduate university and high DAT scores. Schools are also looking for well rounded students who have been active in community, participated in extracurricular activities and have won honors. The number of students applying seems to change from year to year. There are many factors that play into the decision to attend or not

MCDS Newsletter is the official publication of the Middlesex County Dental Society and is published 8 times annually following each Executive Committee meeting. Articles should be submitted to the Content Editor before the deadline for each issue. Publication materials may be deferred to future issues or edited without changing the author's intent, in order to conform with the requirements of the Newsletter. The publication of an advertisement, opinion or statement does not reflect endorsement, approval, or policy of the MCDS and its newsletter unless stated. All correspondence regarding this newsletter should be directed to the Business Editor.

**Interdisciplinary Dental Treatment: Generalist-Specialist Relationships**

Featured Speaker: Dr. Bruce Small

Dr. Bruce Small is a practicing dentist in Lawrenceville New Jersey where he has maintained a busy restorative practice for over 28 years. He is a part time clinical assistant professor at UMDNJ and is on the staff of the GPR program at Newark Beth Israel Hospital. Dr. Small has achieved mastership in the AGD and is a fellow in both the American and International College of Dentists. He is an active member of many dental organizations including the AGD, and the Academy of Operative Dentistry. His interests include esthetics, gold, occlusion, and participating in two operating study clubs. Dr. Small is the esthetic dentistry columnist for General Dentistry Magazine, the official publication of the AGD. Last year he received a special recognition award from his Dental School Alumni Association, one of only three given in 40 years.

He supervises an 18 station training facility called the Institute of New Techniques in Dentistry, an independent teaching facility in Lawrenceville, recognized by the AGD as an approved teaching facility under their national sponsorship program. A continuing student himself, Dr. Small has completed over 3,000 hours of postgraduate education including all the continuums at the L.D. Pankey Institute for advanced dental education and is now a teaching assistant there.

Optimal restorative dental treatment often requires the patient to be treated by more than one dentist. Sometimes orthodontics, periodontics, endodontics, and oral surgery are necessary to achieve a functional and esthetically pleasing result. This can be stressful to both the patient as well as the dentists involved. Dr. Small will give tips for the specialists as well as the restorative dentists that will make life easier for all concerned and possibly lead to enhanced relationships for everyone!

## MCDS Board of Trustees Report

-February 12, 2002-

**Attendance:** DeSciscio, Fahsbender, Glickman, Huberman, Kahn, Kline, Krantz, McLaughlin, Schambra, Silverstein, Weiner, Ziemba

**Acceptance of Minutes-1/8/02-vote unanimous.**

**President's Report-P. DeSciscio**

- Dr. DeSciscio stressed the importance of starting the General Membership meeting at the designated 6:30 time. Members should have their reports ready and if not attending to give their report to someone else to read.
- Discussed possible nominations for the Sy Symanski Lifetime Achievement Award
- Discussed nominations for officers, delegates and trustees for components

**Treasurer's Report-R. Kline**

- The budget has been published twice and will be voted on at the next meeting
- A motion was made by Dr. Kline to keep \$12,000 in the operating account and the rest in an interest bearing account. The motion was 2nd by Dr. Kahn. Vote unanimous.
- See detailed treasurer's report in newsletter

**Program-S. Lawson**

Staff Appreciation Night will be on May 21, 2002. Advertising appears in this newsletter

**NJDA Trustee Report-D. Krantz**

- Walter Chinoy was re-elected
- The next treasurer will be August Pelligrini from Hudson
- Terry Houge is on board for marketing at NJDA
- A considerable amount of money was left over from the candidacy for H. Finger and his campaign director will decide as to how to distribute the money
- There is a desire to decrease the number of members for the House of Delegates, but the bylaws will need to be rewritten for this to take place

**ADPAC Report-P. DeSciscio**

NJDA PAC Night at the Races Fund Raiser will take place at the Pegasus at the Meadowlands Raceway on Wed., April 24, 2002

**NJDA Council Reports:**

**Annual Session-A. Ziemba**

Plan ahead and save the date:

- Annual Session will be held June 12th –14th in Atlantic City at the Taj Mahal.
- The fabulous Greaseband will perform at the President's Dinner Dance on Thurs. June 13, 2002.

**Lecture schedule headliners:**

1. Dr. Stanley Malamed – Wed. June 12th
2. Dr. Karl Leinfelder & Dr. Paul Des Jardins – Thurs. June 13th
3. Dr. Fotinos Panagakos – Fri. June 14th

**Dental Health-B. Huberman**

The council met at the NJDA headquarters on Feb. 7, 2002:

- Tricia De Cotiis will be replacing Marc Millstein as the liaison of NJDA
- The Smile-Online will be launched on the NJDA website on March 1st. The general public will be able to ask the council questions regarding dental treatment and dental health
- The council will be updating the participating dentist list as well as maintaining a phone log to see where the bulk of the patients are coming from
- A CD-Rom regarding the systemic effect of smokeless tobacco was submitted to the State Board for Continuing Education (CE) credits
- The council will be working with the Oral Cancer consortium to get NJDA involved with the annual "Oral Cancer" screening event that takes place yearly throughout the metropolitan area

**Peer Review-J. Fahsbender**

There were three cases under review this month. One was resolved through medication in favor of the patient; one case is under present review; and one case, which

attend a professional school. An additional four years of training, large debt load, good opportunities in other fields, the economy, and the lack of knowledge about the dental profession all effect this decision. And thus the number of students applying. I am proud to say that Middlesex County Dental Society will be addressing this last concern. We will be entering into a pilot program with UMDNJ- New Jersey Dental School, through the Offices of Admissions and Recruitment to have college students from Rutgers University (for starters) "shadow " us in our offices. That is, those of us who avail ourselves for this purpose. This is on a voluntary basis and has been looked upon with enthusiasm by all parties involved. We can feel good about the fact that we are helping to pave the way for a new generation as well as perpetuate the profession of Dentistry.

Faithfully,  
Dr. Peter L DeSciscio

The goals of the MCDS Colleague Program are:

1. Promote camaraderie and a feeling of belonging to the dental community.
2. Introduce the benefits of organized dentistry, including the many resources that are available to our younger new dentists.
3. Serve as a resource for practice-related questions and concerns.

## Highlights from the NJDA Board of Trustees Meeting, January 23, 2002

State Board of Dentistry update was presented by Dr. Graeber. The following was discussed at the December 5, 2001 and/or January 2, 2002 State Board meeting:

- Dentists' State License deadline was extended to January 15, 2002
- Hygienists' State License deadline was extended to March 1, 2002
- Sale of narcotics in the office is prohibited.
- State Board Exam will be administered in English only.
- Law and Jurisprudence Exam will no longer be an open-book exam.
- State Board addressed, but did not conclude, the proposed dental decision regulation. It will be further reviewed at the February 7, 2002 meeting.

### President's Report

The Donated Dental Services program is continuing to move forward. More than \$6.8 million in services has been donated toward the comprehensive dental treatment.

### Treasurer's Report

Reserves are up

### Executive Report & Legal Counsel

- Two new NJDA staff have been hired

1. Roy Meisel, Database/Network Administrator
2. Terry Hogue, Manager of Marketing & Communications

- Mr. Meisel provided a recap of the Missouri Supreme Court decision regarding accountability to state licensing boards of medical/dental directors and consultants hired by insurance companies and employee benefits plan.

- Kulzer and ArtGlass have a complaint filed against them by a member dentist. A friend of the court brief will be filed by the NJDA in support of our member dentist's contention that a viable claim can be asserted under the New Jersey Consumer Fraud Act.

### Unfinished Business

- The request for a committee to survey the shortage of dental hygienists throughout the state is still pending.
- The request made to the BOT to restore funding of scholarships to the Council on Dental Education is still pending.
- The concern of bioterrorism and emergency preparedness has been referred to the Council on Dental Health.

### New Business

- Tom Soliday, ADA Speaker of the House candidate from Maryland, will receive a contribution from the NJDA.
- Children's Dental Health Month campaigns should be brought to the attention of NJDA's Meeting and Events for promotion.
- The Director of Governmental Affairs, Tim Clarke, reported that legislation being actively pursued by the NJDA is reported in the Capsule. If there are any concerns, members are asked to contact him directly.
- Dr. Graeber was recently named to the ADA Council on Ethics, Bylaws and Judicial Affairs. He brought before the BOT the issue of personal relationships with patients. The Code of Ethics does not address specific language regarding what is considered inappropriate/non-consensual behavior. The BOT suggested an amendment, which will incorporate the proper language.

### UMDNJ School Report

- On June 1—2, 2002, the College of New Jersey will host their Annual Special Olympics event. For further information call Dr. Giniger (973) 972-7347.

- Dr. Rosenheck also spoke about the UMDNJ E-Curriculum program. He explained that the laptop becomes the medium to do research and that every textbook in the curriculum can be accessed through this program.

failed mediation, will have a plenary hearing Feb. 26th

### MCDS Committee Reports:

#### Corporate Sponsorship-R. Kline

- John Bates who has advertised in the newsletter in the past will no longer advertise
- We are in need of sponsors, but the sponsors are not getting any feedback or business from our members
- We need to lay the foundation and framework to build this program for the future with new committee members
- It was suggested that we offer some free advertising in hopes that companies will find it useful and will want to continue to place an ad in the newsletter for a fee

#### Mentor-E. Glickman

The Mentor Programs for Spring 2002 that are being presented are:

- Two Annual OSHA Seminars – Thursday, April 18, 2002 and June 20, 2002
- What Makes An Effective Leader – Thursday, April 11, 2002
- Using Feng Shui to enhance our Dental Practices – Thursday, May 9, 2002

More information about the seminars are in this MCDS Newsletter

We will be sending an invitation to all the non-member dentists of Middlesex County to register for these Mentor Programs. We feel that by attending these exciting programs they will experience first hand some of the activities that we provide on a regular basis to our members of MCDS.

As a promotion to join MCDS; if they pay the non-member registration fee for any of these four spring 2002 courses, we will deduct the total amount that they have paid for their office to attend and apply these monies towards the membership dues they would pay to become a member of Middlesex County Dental Society for their first year.

In an effort to network with the other Dental Societies in New Jersey, we have extended an invitation to their members of their component dental society to attend these seminars. This offering to NJDA member dentists will open the door for MCDS members to attend their courses at their member registration fee. This will make available to us many additional courses that will upgrade our academic knowledge and clinical skills as well as the opportunity to obtain additional continuing education credits [CEU] for state licensure.

The MCDS Colleague Program is being instituted. Members who would like to obtain advice about any issues relating to the Practice of Dentistry can contact me. I will arrange for one of our volunteer senior members to counsel and mentor those seeking answers from start-up practices to managing their existing practice more effectively. This program follows the NJDA Colleague Program, which is about to begin statewide.

The goals of the Colleague Program are:

1. Promote camaraderie and a feeling of belonging to the dental community.
2. Introduce the benefits of organized dentistry, including the many resources that are available to our younger new dentists.
3. Serve as a resource for practice-related questions and concerns.

By sharing the wisdom gained through our individual experiences of managing a dental practice, we can help our member colleagues meet the many challenges they may encounter. This will become a very valuable benefit for our members of MCDS.

#### Continuing Education-M. Schambra

Dr. Tarnow is scheduled on Friday, Feb. 21, 2003 to lecture (contract pending). The topic will be "Implant Dentistry in Your Office". We are looking into a location for this lecture and also where to advertise

#### New Business

- Ricky Dibosky requested to advertise the letter from Louise LoMonaco of events for spousal-guest program
- Being that there is a nationally recognized shortage of hygienists and CDA/RDA, Ethan Glickman proposed having MCDS support a course to train employees in order to upgrade their skills. We will ask for support of this type of program in this newsletter. A report will be given at the General Meeting.

Respectfully submitted  
 Mitch Weiner, DMD, Secretary

### CPR Review Course

MCDS members who are interested in receiving CPR and or First Aid instruction in their own office should contact Marlene Glickman, our Executive Secretary for information. We will fax to you the names of Certified instructors that have given this program to our own members of MCDS. CPR certification is required for Expanded Function Dental Assistants as well as Hygienists. Dentists on staff at many of the local hospitals are also required to maintain their CPR certification too.

CEU, NJ State Board of Dentistry credits are available for these programs.

This is an excellent opportunity to present this valuable information to our staff, in the convenience of our own office at a time that is best suited for us.

Contact: Marlene G. Phone: 732-238-1255 Fax: 732-390-2332

### MCDS Review Course for CDA / RDA Assistants

We are all aware that there is a shortage of Expanded Function Dental Assistants in Middlesex County. We put costly ads in the newspapers only to find out that no one is out there to respond to our need to properly staff our offices. We contact the Dental Employment agencies and again discover that they do not have the personnel that we are seeking!

If we are to be pro-active on this issue we need to take some affirmative action to correct this major problem!

We can sponsor a review course for our current assistants that will prep them for the CDA / RDA exams. MCDS will set-up the program and the individual dental offices will pay the tuition for each of their assistants. This program will be coordinated with Dr Carolyn Breen of UMDNJ- School of Health Related Professions.

When they are Certified and Registered then they can apply to the NJ State Board of Dentistry and become an Expanded Function Dental Assistant. This will enable them to help us become more productive in our office and open the door for entry level assistants to join our staff, thereby helping to fill the void that we are presently experiencing.

Please let me know if you support this type of program. If enough members contact me then I will pursue setting up this review program for our MCDS members and arrange for the classes to be given locally in Middlesex County.

Ricky Dibofsky and I have planned programs, which will be informative, relaxing, productive, and fun. These programs are offered to all attendees, and there will be something for everyone to enjoy.

From Wednesday through Friday you can get involved in many of the Guest Programs which include a Cooking & Wine Tasting Class, Outdoor Activities (sandcastle contest, scavenger hunt, Tai Chi, Yoga), a Health Care Walk for Breast Cancer, a Skin Care Presentation, Luncheons, Spa Services at the Taj Mahal or the Seaview Marriott in Absecon, Golf, Tennis, and a Stock Market Seminar. There will be a special Workshop on "Insurance Issues in the Office". Wednesday will offer a complimentary Welcome Reception for exhibitors and invited guests. Activities for children will also be available.

Join us for an evening of entertainment on Wednesday, June 12 with the ever-popular Greaseband. You can dance, reminisce, and sing along to the "oldies but goodies" followed by a sumptuous dessert soiree. Our much-anticipated President's Dinner Dance will be on Thursday evening, June 13.

Wednesday and Thursday you will have an opportunity to participate in the NJDA Silent Auction, which will benefit Special Olympics New Jersey. The bidding items will be unique and spectacular, with donations from many generous people, society components, and corporations throughout the state of New Jersey.

Atlantic City offers an abundance of headliner entertainment, casinos, dining, shopping, a variety of museums, and cultural activities.

Try your luck at the casinos, earn continuing education credits, register for the social events and visit our exhibit floor, which keeps our membership abreast of cutting edge technology.

I look forward to seeing you in Atlantic City!

Warmest regards,  
Louise LaMonaco

Our Convention keeps our membership abreast of cutting edge technology and will deliver an exhibit floor filled with companies, which support dentistry with innovative products, supplies, and services. Exhibits will also include new development in digital radiography, new ceramic techniques, lasers, whiteners, rotary instrumentation and much more.

Attendance is expected to reach over 5,000, which will include dentists, hygienists, assistants, office staff, and a host of suppliers and exhibitors.
